SUBSTITUTION RULES - For a team using 9 or 10 players in a league match.

The general rule is that a "starter" may play in only one slot, A B C or D. You may take a "starter" out then put him back in later in the same slot. Flexibility starts in Round 2, with the slots that have double identities, here your pairs may be made up of any combination of the original "starting pair" and/or one or more of the subs listed in SLOT E above.

IMPORTANT: Home Team to **fax** completed Score Sheet to **Dave Cairns** at **604-933-6113** **and** to **Frank Bourassa** at **604-241-4598**.
